

## INTERNSHIP OPPORTUNITIES with ESKER Document Automation (M) Sdn Bhd

Esker is a worldwide leader in AI-driven process automation software, helping financial and customer service departments digitally transform their purchase-to-pay (P2P) and order-to-cash (O2C) cycles. Used by more than 11,000 companies worldwide, Esker's solutions incorporate artificial intelligence (AI) technology to drive increased productivity, enhanced visibility, reduced fraud risk, and improved collaboration with customers, suppliers and internally. Founded in 1985, Esker operates in North America, Latin America, Europe and Asia Pacific with global headquarters in Lyon, France, and U.S. headquarters in Madison, Wisconsin. In 2018, Esker generated 87 million euros in total sales revenue.
