EUROPEAN RESEARCH DAY MALAYSIA 2020

21 to 25 September 2020

Advance your research career in Europe!

EUROPEAN RESEARCH DAY MALAYSIA 2020

21 TO 25 SEPTEMBER 2020

EURAXESS ASEAN is proud to present to you **European Research Day 2020** – a series of webinars detailing the diversity of opportunities for **research collaboration with European partners** or **research stints in Europe** that are open to researchers in Malaysia and the wider ASEAN region. EURAXESS ASEAN is grateful for the support of the European Union Member States, the European Union Delegation to Malaysia and the Young Scientists Network Malaysia!

Who should attend?

This event is of **open to researchers of all nationalities**. It is addressed at PhD candidates, post-doctoral researchers, and established researchers of all disciplines.

How much is it?

The event is free of charge!

How do I join?

Each session will take place in form of a webinar. Please take note of the exact date and time of each session. All times stated are local Malaysian time (GMT + 8 hrs).

You will find the registration link for each webinar in the agenda below. Please note that **you must register for each webinar you wish to attend separately!** After registration you will receive a confirmation email detailing the necessary steps to follow. When joining a webinar, please follow the instructions for downloading/installing the necessary software, if it is not available on your computer already. As participant you will have the opportunity to raise questions via the chat-window.
